## Measurements:

- Cardstock #1: Card Base- Fresh Freesia- 5-1/2" x 8-1/2" and 4 x 5-1/4" for textured layer.
- Cardstock #2: Basic White Cardstock- 3 x 4-1/2" for die-cut layer beneath vellum, 3 x 2" for sentiment, 4 x 4" for stamping and fussy-cutting flower and leaves, 4" x 5-1/4" for inside of card
- Cardstock #3: Soft Succulent-3 x 2 for layer under sentiment

- Vellum: 3 x 4-1/4" for die cut
- Ribbon: 6"
- Linen Thread: 12"

Instructions:

- For card base, fold in half at 4-1/4" and give a good crease with Bone Folder.
- Use embossing folder on Fresh Freesia layer and glue over top of card base.
- Die cut printed vellum and white piece with same scalloped rectangle. Set aside.
- Die cut white and Soft Succulent piece with scalloped/pierced die cut. Stamp sentiment in Fresh Freesia on the white piece. Trim and adhere Soft Succulent piece to create a border for sentiment as shown in photo. Set aside.
- Stamp flower and leaves in Memento Black. Color with Stampin' Blends. Fussy cut and set aside.
- Take vellum piece and adhere flower, leaves, and sentiment as shown. Turn over and apply glue dots beneath the elements that you've just glued onto the vellum. This will hide the adhesive. Now apply this vellum piece with the attached elements to the scalloped white die cut piece. Adhere this whole piece to card front as shown.
- Fold ribbon in half. Snip a piece of linen thread and tie to make loop in the ribbon as shown. Do not trim ends. With remaining linen thread, make a loopy bow. Tie to ribbon feature using the two ends of linen thread that are tied around ribbon. Attach this ribbon piece with glue dots to card front.
- Adhere 3 Pastel Pearls as shown.
- Glue 4 x 5-1/4" piece of Basic White to inside of card and complete as desired.
