- Designer Paper: Favored Flowers freesia flowered 1 x 5 ½, Blackberry Bliss ½ x 5 ½.

Instructions:

- Score Thick Basic White base at 4 ¼ and burnish fold with a Bone Folder
- Stamp the large flower from Fragrant Flowers on the right side of the card two times using Blackberry Bliss ink. Rotate the stamp so that it looks different. Let part of the stamp go off the card front. It will not cover the whole front, but the designer paper will cover the left side.
- Use the dots from the Nested Friends stamp set. Stamp a little over and around the flowers using Fresh Freesia ink.
- Glue the flowered 1 inch piece of Favored Flowers Designer Series Paper to the left edge of the card front.
- Butt the Blackberry Bliss piece up next to the flowered piece.

- Tie a bow using the Metallic Mesh Ribbon. Add to the card with a glue dot.
- Stamp the saying from Inspired Thoughts on a scrap of Fresh Freesia cardstock using Blackberry Bliss ink. Cut it out using the Stylish Shapes dies. Add to the card over the ribbon. Be sure to place dimensionals on either side of the bow knot so that the label will lie flat. Embellish with an Opal Round.
